Chapter 1 by Tom

Jake could see his target. Knife in hand, gleaming in the moonlight, he crawled towards him. Just as he was about to strike his target spoke. "I know your there." Jake stopped, surprised.

Chapter 2 by Luke

The Queen turned around and stared at him. "I know you want to kill me, if you even try though I will press this red button and the CIA will be here with tazers and us machine guns."

"I'm sorry mam."

"Sorry won't do it, I am going to lock you up!"

She then pressed the red button and the CIA came running down.

Oh no could this be the end for me, could this be the end for Jake?

Chapter 3 by intellikat
